Memo 15

The Senior Surgeon in his letter No 2678 of 26-3-94 strongly recommended the Construction of Quarters for the Medical Officer at Koppa viz the Sub Assistant Surgeon, who, not having succeeded in procuring house accommodation in the place, is occupying a portion of the Mistaforkhana ~~records~~ books & the inconvenience of travellers, and upon whose representation the Senior Surgeon recommendation arose

The letter having been submitted to His Exy the Dewan as ordered by him, was asked to report why the necessity for Hospital Asst's Quarters at Koppa was not brought to the notice of Govt when the Construction of the Dispensary building was sanctioned, remarking that nothing appears to have occurred since the construction of the Dispensary building, which

the Senior the Surgeon,

incurs the proposed building necessary.

In reply (No 3388 of 20-6-94 the Senior Surgeon simply refers Govt. to his letter No. 4343 of 15th March 1893. That letter was received and disposed of in the General Dept. In that letter the Senior Surgeon recommended the construction of quarters for Hospital Asstts in 12 selected places of the Province including Koppa, Yadehalli and ~~Koppa~~ Mudgere of the Kadur District. At the same time he enclosed a copy which he had received from the Secretary Surgeon General of Madras Govt. that "Civil Hospital Asstts "in the Madras Presidency "are not entitled to free "quarters either on the "plain or on the Hills. SUBJECT.

Enquiring whether the Municipalities ~~that~~ have contributed ~~bribents~~ towards the construction of new Local Fund Dispensaries & Wards for in-patients, should bear a proportionate share of the cost of repairs or other work that may be carried out to such dispensaries. —

L B. Rice
13/7

Our municipalities are so poor that in a large number of cases Govt have been encreasing them even the third of the initial cost of construction they have to bear. In most cases the addition to the permanent charges of a municipality for repairs to such buildings will also have to be encreased. Under these circumstances as the P.W. Chief Engineer desires a general order it is best to relieve them of repair charges altogether.

Sir

I have the honor to forward herewith the margenally noted correspondence regarding house accommodation for the Medical Officer at Koppa for information of Government and with a request that sanction may be given for the construction of quarters for the Medical Officer there.

2 There is no decent or habitable house procurable for rent nor is it in the least degree likely that there will be.

3 The mansoon rains are very heavy there and it is impossible to keep ones health without being properly housed and unless Government are pleased to make an exception in this case and sanction the construction

In returning the original enclosure of Government Proceedings No. 16835-6 / 114-93 dated 5th Instant, I have the honor to inform you that under the circumstances represented by the Senior Surgeon, I would recommend a house being constructed for the Medical Officer at Koppa. In Govt. No. 3436/42-71 dated 17th August 1893, Government objected to build houses for Hospital Assistants but there are sufficient grounds to make an Exception being made in the present

Where is the Hospital?
Is there one at Koppa?
Where are they held?
In Govt buildings, where?
Was that built for a Dispensary?
Have we Govt buildings by us with places suitable for a dispensary? State or ascertain & report.
